Great find

I was so happy to find this sweater because most shrug sweaters are short in the back and this one is a little long. Just what I needed! However, I am looking for one just like it in red :)

I would recommend this product to a friend.

love covington

This is the only brand my husband would wear, he said the shirt doesn't get too wrinkled like it stated, and does not get stained. It's the everyday shirt he wears to work.

I would recommend this product to a friend.

Size Runs SMALL

I wear a 15/15.5 neck and 32/33 sleeve, but these have sleeves an inch too short and are tight in the biceps, compared to other shirts labelled the SAME size.

LOVE,

Love these jeans, already had the black and came back for the blue. I got the heavier material version in winter and liked them so I got these. These lighter weight version are even better. Have washed them and they appear to have not lost color - which is an issue with the black Heavy material ones. Get these lighter fabric version. You won't be sorry

Great Purse

January 15, 2016

First I bought the small one and tried to use it for a day but it was too small to fit my wallet & 2 pair of glasses, so I returned it and was so happy to see the same purse in a larger size. The only thing is I wish it had an adjustable shoulder strap

Yes, I recommend this product.

Too large for me, but nice bag

January 8, 2016

This is a soft leather crossbody bag that looks well made. The leather will scratch easily I think, but I would have kept it anyway. But on my small frame, it was just too big and so I returned it.

Love it!

December 11, 2015

I love the black on black. The leather is lovely and the size is perfect. Love the fact I can use it as a crossbody or double the handle for a shoulder bag. Very happy.

Zebra scarf

Great looking scarf for a great price!

ignatio Aug 6, 2015 Helpful 0 Not Helpful 0 Flag as Inappropriate

Women's Zebra Print Scarf

I wanted a lightweight scarf to wear for dressing up. Some reviews indicated that the scarf was too thin. I didn't buy this scarf to wear outside on a cold winter day with a parka. Additionally, who needs all the extra BULK around their neck? I like the pattern and color as well. It really dresses up a basic black dress and the weight of the material has a nice drape as well. Besides that - it was cheap!

Great Wrap

Great wrap. Color and size are perfect. If you are looking for a nice animal print wrap, I'd recommend this one.

happyinindy Mar 5, 2013 Helpful 0 Not Helpful 0 Flag as Inappropriate

Excellent

The material is very soft and every elegant. I wear it so beautifully and my sister saw it and she want one. We saw one identical in the store but the quality and material is not the same.

Beautiful Scarf!

Very happy with the scarf! I love the design and it is very well made. The brand was Pashmina - I didn't know that when I ordered it. I would definitely recommend. Great price for a great addition to your wardrobe! !

Be our Guest Pillow

May 17, 2016

This is such a great pillow! I love the quality and the design. It feels strong and well made. I bought this pillow over three years ago when my husband and I were first dating for our future home and it went with us to Kansas for three years and came back to California and still looks brand new. A must have for the couch of Beauty and the Beast lovers.

High quality- nice and firm. Love that the neutral colors give a more subtle Disney infusion and match almost anything. Also really like that each side has a different but related style.

Lovely polka dot set, but the fit is a problem

Saltwatertaffy (http://reviews.qvc.com/1689wcs-en_us/0094993541/profile.htm)on 05-08-16

" I purchased the red polka dot set, and I love the style, color and the dots. I do not have anything like this in my wardrobe, and I wanted to add something different to the mix. The price point is on par with something you would pay at the larger retail stores. The tank fits perfect, but the blouse was to tight on my upper arms. I returned the set, and exchanged for a larger thinking that would resolve the issue, but it did not. Alas, I will have to return for a refund. I cannot keep a garment that is uncomfortable and restricts the movement of my shoulder and upper arm. "

" Navy is my color of choice so I had to purchase. The outside shirt fits perfectly. The tank is too tight across the bust. Her tanks never fit right. They are either to big or too small. Im wearing it with a white tank. Looks great for spring in Seattle. "

Be careful, runs large!

★★★☆☆

linkhigh (http://reviews.qvc.com/1689wcs-en_us/0087018030/profile.htm)on 04-14-16
Read All My Reviews

" I checked the garment measurements and found it runs big, so I ordered a 10 rather than my normal size 12. The tank and blouse both fit well in the smaller size, so plan to go down one size if you order.
I got the red colorway and found that the color of the tank was not an exact match for the color of the blouse. This could become an issue if you wanted to wear the blouse unbuttoned over the tank, as a jacket. The polka dots are on the small side (3/8"), which makes the print feel "busy". And the pin tucks on the front of the blouse cut the dots in half, which exaggerates that impression.
The fabric of the tank feels very nice, and I appreciate that it has reasonably sized armholes that don't show half your bra. But because it's polyester knit, it also tends to telegraph all the lumps and bumps of whatever is underneath. I would not have felt comfortable wearing the tank by itself. And unfortunately, a polyester blouse over a polyester tank means lots of static cling. In the end, I found the style to be somewhat matronly, so I will be returning. "

Love this toothbrush! Works great! Love how it lights up when I'm pressing too hard on my teeth/gums. Excellent product!

Customer Review @NCC_OralB Oct 02

I love the timer. I also like that they give you four different brushes to try Sensitive, Normal, Deep Clean and Dual.

Search through your closet without worrying about clothes falling thanks to the no-slip textured velvet design of these suit hangers. Hang even heavy coats from these hangers, which are reinforced to hold up to 10 pounds each. Choose from four basic colors to create a uniform look in your closet.

Maximize your closet space with these ultrathin hangers, designed to reduce the space needed for each garment and allow more hangers to fit along a rod. The textured velvet surface of each hanger is contoured to help prevent wrinkles and crease marks. Combine multiple sets of these hangers to hang your entire wardrobe.

- Set of 25 Model CLHE-25 hangers
- Velvet fabric available in assorted colors provides a soft, textured surface for hanging clothes
- Compact hangers are reinforced to hold up to 10 pounds each
- Chrome-finished hooks move smoothly along closet rods
- Slim design maximizes storage space

I have ordered so many of these that everything in closets hang on them! Gives additional space because of slim size. Holds heavy items Leaves no creases in sweaters or blouses.

Suit Hangers

I would have liked the hangers to have clips for skirts. Otherwise, perfect.

bubbe01 May 15, 2013 Helpful 2 Not Helpful 0 Flag as Inappropriate

Not as described

If you are looking for slightly smaller hangers then the standard 17.5" slim velvet ones, do NOT order these! I put them right next to the standard ones, and they are almost exactly the same size. I returned them, but am out $$ for shipping both ways.

Melissa G. Aug 3, 2015 Helpful 1 Not Helpful 0 Flag as Inappropriate

Satisfied customer

The color, shape and model are excellent. I was looking for a size 16 hangers (petite clothing) and that is exactly what I got. Other website claimed to have the size but did not.

facinatng Jun 28, 2014 Helpful 1 Not Helpful 0 Flag as Inappropriate

Incorrect dimensions & flimsy construction

I bought these specifically because I needed 16" long hangers as given in the specs. Nothing bigger. They are all 17-1/2" long. They are also h flimsier than similar hangers of this type I own.

Beware of color

I love the hangers, except for the color. I was expecting gray, but these are closer to a tan color.

Good skate guard if your not going to walk on them

February 16, 2016

They are worth the $12 but pay an extra 10 and get the hard plastic skate guards. Yes there is a groove for the blade to slip into but it does not stay there. If any of you have 7-9 year olds you will understand.

I have not shopped JCP for some time. Recently went to a mall and strolled through the JCP Store and noticed that they sold IZOD V-Neck Sweaters. Looked at them but the store did not have my size or color. The clerk said she would look on-line a sure enough they had the colors I liked and the price was right. So when I got home I ordered them. The first 2 sweaters came, one had a pull in the material and the other one had black spots on it. So I got in my car, drove back to the Catalog Center to return them and the clerk reordered them. They came a couple days later, I went to pick them up. One was ok and the other one had several pulls so it again was returned. Still waiting for the sweater to come in and getting nervous in that we are leaving on vacation in a couple of days. With this terrible experience, I think my JCP days are over!

Pros Price and speedy delivery

I purchased two men's Izod v neck sweaters to be embroidered for gifts. They were delivered in a timely manner; matched the color swatches that were displayed on line, which was important to me, and they turned out very well after being embroidered. Thank you for your service.

My husband bought these for a new job which will require sport coats. He got one of each color. They fit well. The tan / brown color is my least favorite. The gray / black one is my favorite. He hasn't worn them enough yet to be able to comment on how they wear, but so far so good.

Pros Good Fit, Color Variety in Each Coat to Match Multiple Things

This is a great sport coat for the price I paid. The problem is that it does not fit like my other Stafford Suit Jackets in the same size and cut.
It runs way big. I will be returning for another or refund.
Gave 3 stars because of fit issue.

Pros Great Price and quality
Cons Runs too big for same size and cut as other Stafford Sport coats or Suit Jackets.

I was looking for a sports coat for all seasons and found one in this Stafford Year Round sports coat. I own six Stafford sports coats and knew the quality would be there. This sports coat is very good quality and fits great. I love the classic style that I know will last for years to come.They may not have my size, 44 long, in the store but have always found it on line. I've been able to get great sales at JC Penney's and will continue purchasing Stafford Sports coats in the years to come.

Pros Great style and fit. Great price.
Cons None

I would recommend this to a friend!
